Article 8. Distance Selling

In the exclusive context of a distance sale as defined under French law, and in accordance with the provisions of Article L.221-18 of the French Consumer Code and European Directive No. 2011/83/EU of 25 October 2011 on consumer rights, the Customer has a period of fourteen (14) days from the date of receipt of the Exceptional Creation « Baccarat Rouge 540 Édition Millésime » to notify PARFUM FRANCIS KURKDJIAN of their decision to exercise their right of withdrawal by means of an unequivocal statement (example available in Annex 1 below).

Following the exercise of this right, the Customer has an additional fourteen (14) day period to return the Exceptional Creation, at their own expense and in accordance with the specific procedure communicated to them by PARFUM FRANCIS KURKDJIAN. Due to the fragility of the Exception Creation "Baccarat Rouge 540 Édition Millésime", the Customer is required and undertakes to strictly adhere to the indicated procedure. The relevant return shipping costs will be proportional to the value of this Exceptional Creation.

The Exceptional Creation "Baccarat Rouge 540 Édition Millésime" must be returned at the Customer's own risk, in its original packaging and condition, in a state suitable for resale as new, and in strict compliance with the procedure communicated by PARFUM FRANCIS KURKDJIAN. The Customer therefore undertakes to preserve these elements throughout the duration of their withdrawal period.

However, with the exception of the situations exhaustively listed in Article 10 below, the Customer acknowledges and agrees that, pursuant to Article L.221-28 of the French Consumer Code, the right of withdrawal cannot be exercised for products that have been customized, nor for products that have been opened and/or unsealed and/or used after delivery and that cannot be returned for reasons of hygiene or health protection.

As a non-exhaustive illustration, at the time of delivery, the opening of the refill bottle intended for filling the crystal bottle constitutes a breach of the sanitary seal protecting the fragrance. Consequently, as this opening renders impossible the guarantee of the material integrity and safety of the Exceptional Creation "Baccarat Rouge 540 Édition Millésime", as well as its conformity to the strict health standards in force, any opened refill bottle may under no circumstances be placed back on the market or offered for sale by PARFUM FRANCIS

KURKDJIAN. Thus, once the Customer has opened or authorized the opening of the refill bottle by PARFUM FRANCIS KURKDJIAN representative, he/she will definitively and irrevocably lose the right to exercise his/her right of withdrawal concerning the said Exceptional Creation "Baccarat Rouge 540 Édition Millésime", due to overriding reasons of hygiene, public safety, and protection of consumer health.

Article 9. Replenishment

Replenishment will include a quantity of 200 ml of the Exceptional Creation "Baccarat Rouge 540 Édition Millésime" and each Customer may order a maximum of four refill bottles per year, limited to two refill bottles every two months and within the limits of available stock.

The price of refill bottles is displayed on the Customer account and may change over time, particularly depending on the possible need to reformulate the fragrance creation of the Exceptional Creation "Baccarat Rouge 540 Édition Millésime" due to regulatory constraints.

It is hereby specified that the formulation of a fragrance may be modified due to regulatory constraints beyond the control of PARFUM FRANCIS KURKDJIAN. Where applicable, PARFUM FRANCIS KURKDJIAN undertakes to offer the Customer a formulation as close as possible to that of the fragrance creation of the Exceptional Creation "Baccarat Rouge 540 Édition Millésime" purchased by the Customer.

PARFUM FRANCIS KURKDJIAN will, at its own expense, carry out an expert assessment to confirm the lack of conformity and may request photographs from the Customer and/or the opportunity to send an expert to analyze the Exceptional Creation.

If a lack of conformity is confirmed, PARFUM FRANCIS KURKDJIAN will contact the Customer to agree on the return conditions of the Exceptional Creation "Baccarat Rouge 540 Édition Millésime". This return will be fully supported by PARFUM FRANCIS KURKDJIAN. The actions following this return will then be determined.

In accordance with Article D. 211-2 of the French Consumer Code:

"The consumer has a period of two years from the delivery of the goods to obtain the implementation of the legal guarantee of conformity in the event of a defect in conformity. During this period, the consumer is only required to establish the existence of the lack of conformity and not the date of its appearance.

When the contract for the sale of goods provides for the continuous supply of digital content or a digital service for a period exceeding two years, the legal guarantee shall apply to such digital content or digital service throughout the period of supply stipulated. During this period, the consumer is only required to establish the existence of the lack of conformity affecting the digital content or digital service and not the date on which it appeared.

The legal guarantee of conformity entails an obligation on the part of the seller, where applicable, to provide all the updates necessary to maintain the conformity of the goods.

The legal guarantee of conformity gives the consumer the right to repair or replace the goods within thirty days of his or her request, free of charge and without major inconvenience to him or her.

If the goods are repaired under the legal guarantee of conformity, the consumer benefits from a six-month extension of the initial guarantee.

If the consumer asks for the goods to be repaired, but the seller imposes a replacement, the legal guarantee of conformity is renewed for a period of two years from the date of the replacement of the goods.

The consumer may obtain a reduction in the purchase price by keeping the goods or terminate the contract by obtaining a full refund in return for the return of the goods, if:

1° The professional refuses to repair or replace the goods;

2° The repair or replacement of the good takes place after a period of thirty days;

3° The repair or replacement of the goods causes major inconvenience to the consumer, in particular where the consumer definitively bears the cost of taking back or removing the non-conforming goods, or if he or she bears the cost of installing the repaired or replaced goods;

4° The non-conformity of the goods persists despite the seller's unsuccessful attempt to bring it into conformity.

The consumer shall also be entitled to a reduction in the price of the goods or to rescission of the contract where the lack of conformity is so serious as to justify immediate reduction in price or rescission of the contract. The consumer is then not obliged to ask for the repair or replacement of the goods beforehand.

The consumer is not entitled to rescind the sale if the lack of conformity is minor.

Any period of immobilization of the goods for the purpose of repair or replacement shall suspend the warranty which was still running until the delivery of the repaired goods.

The rights mentioned above result from the application of Articles L. 217-1 to L. 217-32 of the French Consumer Code.

A seller who obstructs the implementation of the legal guarantee of conformity in bad faith is liable to a civil fine of up to 300,000 euros, which may be increased to 10% of the average annual turnover ([article L. 241-5 of the French Consumer Code](#)).

The consumer also benefits from the legal guarantee of hidden defects pursuant to [articles 1641 to 1649 of the French Civil Code](#) for a period of two years from the discovery of the defect. This guarantee gives the right to a price reduction if the goods are kept or to a full refund in return for the return of the goods."

Under no circumstances can repairs or refunds be requested and/or made in a PARFUM FRANCIS KURKDJIAN boutique.

The professional responsible for the legal guarantees of conformity and against hidden defects is:

35 boulevard des Capucines
75002 PARIS

Telephone: +33 1 72 95 09 89

Electronic Contact: boutique@franciskurkdjian.com

The following are excluded from the warranty: damage resulting from any modification, repair, integration, or addition by the Customer.

The warranty will not cover items damaged due to misuse.

The legal guarantee of conformity applies independently of any commercial guarantee that may be granted.

Pursuant to Article L. 541-10-13 of the French Environmental Code, as a producer subject to extended producer responsibility, PARFUM FRANCIS KURKDJIAN has been assigned the unique identifier number FR214266_01NLNM by the French Agency for Ecological Transition (ADEME), attesting to registration in the register of producers in the Packaging sector.
